## Happy Holidays & Wishes for the New Year

From [all of us](#) at Sanborn Mills Farm, we wish you a fruitful, inspired, and creative year ahead.

Just as a farmer must build a wall one stone at a time, so we must strengthen ourselves from what we learn from others. As you make plans for what you want to do and learn in the next year, we encourage you to consider taking one of our workshops.

Our 2015 line up includes blacksmithing, organic sustainable gardening, rug braiding, traditional floor cloth making, fly tying, and working with oxen and draft horses. Workshops begin in March and run through November.

Visit [www.sanbornmills.org](http://www.sanbornmills.org) to learn more. You can view workshops as a [list](#) or check them out on our [calendar](#). A few more workshops may be added as the season progresses, so keep checking back to see what's new.

Plans are underway for expanded workshops and housing as part of [Hands to Work](#), a partnership with [Canterbury Shaker Village](#). Stay tuned!
