CANCELLATION & CHANGE POLICY:

We understand that plans change and occasionally people become ill, but owing to the cost of planning our programs, Sanborn Mills Farm must receive notification at least 30 days prior to the start date of a workshop in order for a registered student to change the date of a workshop or for a refund to be made. Refunds can only be processed to the person who purchased the workshop and are in the amount paid for the workshop minus a non-refundable \$25 registration fee. If Sanborn Mills Farm finds it necessary to cancel a workshop, a full refund will be provided to the person who purchased the workshop. If you have questions, please contact the office at 603-435-7314 weekdays from 9am to 3 pm.
