

Sanborn Mills Farm Student Check-In Procedures

At the time of arrival, students should follow the parking signs on the main campus to the designated parking lot.

Students should immediately check in at the welcome tent, located across from the parking lot.

At check in, students can expect:

- A temperature check
- To provide documentation of a negative COVID-19 test
- Answer general health screening questions
- To be issued two disposable masks
- To be issued a personal hand sanitizer
- Provide a signed SMI waiver (received in your Pre-Arrival Packet)

After check in, students will be provided with a short tour of the main campus.

The tour will include:

- General safety
- PPE Locations
- Designated Restroom Locations
- Sanitizing station locations
- Q & A on safety related issues

Students will receive a Pre-Arrival Packet via email 7 days prior to workshop. Students will receive information that we are requiring:

- Signed waiver
- A negative COVID test no older than 48 hours
- If exposed or sick, quarantine for 10 days including 24 hours completely symptom free at the end of quarantine
- Daily temperature screenings for the duration of workshop
